[Verse I]
A F#m D E
I get why you hate me
Haven't been me lately
I want to get better
But can't decide whether

I can't let you go
Though I already know

There is something wrong
And this can't go on

Is there anywhere else you would be?
Is there anything that could convince you?
Anything other than me

I can't quite remember
Why you wouldn't touch me
That night, now it feels
Like so long ago

My memories are hazy
I can't recall what started this fight
The only thing
That I know is

And this can't go on

What about now,
When the clock makes you older
And your heart drifts away
With the sea?

What about now,
When your life makes you bolder
But you're still no closer
To me?

A F#m D E (X2)

What about now?
(Oooh)
